SUMMARY

Dedicated and proactive individual with hands-on experience in fast-paced environments, including retail, warehousing, and hospitality. Adept at collecting stock from warehouses using heavy roll cages and maintaining tidy, well-presented shelves. Passionate about delivering brilliant customer service, proactively offering help, and building strong product knowledge to provide accurate recommendations. Highly reliable in date checking fresh produce, supporting store deliveries, and assisting flexibly across all store operations.

KEY SKILLS

Retail & Warehouse Operations: Stock Replenishment, Heavy Roll Cage Handling, Date Checking, Fresh Produce Quality Control, Store Maintenance, Delivery Support
Customer Service: Proactive Assistance, Query Resolution, Product Recommendations, Promotion Awareness
Professional Skills: Communication, Teamwork, Time Management, Adaptability, Attention to Detail, Manual Handling, Problem-Solving, Multitasking

EDUCATION

University of Hertfordshire <i>MSc Data Science</i>	Hatfield, UK 2024 – 2025
MG University <i>Bachelor of Computer Applications (BCA)</i>	Kerala, India 2021 – 2024

PROJECTS

Calorie Burn Prediction Using Machine Learning <i>Python, ML</i>	2025
- Built classification models to predict calorie burn levels using fitness activity data. - Implemented and compared Logistic Regression, Random Forest, SVM, and Neural Network algorithms. - Applied feature engineering (e.g., Heart Rate Range) and data imputation to handle class imbalance. - Achieved best performance with Balanced Random Forest (~56% accuracy).	
Student Support System (Web & Mobile Application) <i>Web & Mobile Development</i>	2024
- Designed and developed a dual-platform system (website and mobile app) for hostel students. - Enabled features for permission requests, issue reporting, and real-time communication between students, management, and parents.	

WORK EXPERIENCE

Retail Assistant <i>Neelagiri Super Market</i>	Uzhavoor, India 2024
- Collected stock from the warehouse and replenished items across the store, keeping shelves tidy and full of well-presented products. - Provided brilliant customer service by proactively offering help and supporting customers with any questions. - Built comprehensive knowledge about products, services, and promotions to help provide accurate recommendations. - Regularly conducted date checking for fresh produce and grocery products to maintain high quality standards. - Assisted flexibly across the store as needed and supported with deliveries as required.	
Kitchen Assistant <i>Hospitality</i>	Stevenage, UK 2025
- Assisted with food preparation and ensured adherence to kitchen hygiene protocols. - Collaborated effectively within fast-paced, team-oriented kitchen environments.	
Housekeeper <i>Domestic Services</i>	Stevenage, UK 2025
- Upheld cleanliness and hygiene standards in professional settings. - Demonstrated strong attention to detail and reliable time management.
